Work Experience

Realty Sharks / Content Specialist

DEC 2025 - MAR 2026, MUMBAI

Managed social media design for high-end real estate clients, including AMI by Anand Modi and Euphoria. Designed targeted digital campaigns that directly improved social reach and engaged luxury buyers across Mumbai and Bangalore.

YUVA Urban Initiatives / Designer

MAY 2025 - AUG 2025, MUMBAI

Streamlined the NGO's visual identity by building a reusable design system and templates. Mentored the in-house marketing team on brand consistency and collaborated on website project to boost their overall digital presence.

Hooprai / Graphic Design Intern

AUG 2024 - OCT 2024, MUMBAI

Created playlist covers and release artwork for a rapidly growing music platform partnered with major labels like T-Series and YRF. Designed key visual assets for their upcoming website, turning complex briefs into clear visual stories under tight, fast-paced deadlines.

Freelancer / UX/Web Development

MP Consult

APR 2026 - Present, MUMBAI

Redesigned the site's information architecture and overarching layout. Transformed dense consultant service details into clean, responsive web pages that make it easy for prospective clients to navigate, understand offerings.

MRKGSS

JUL 2025 - SEP 2025, MUMBAI

Designed and handed over a bilingual website tailored for users with low digital literacy. Focused heavily on accessibility and intuitive navigation so a mass audience of workers could easily find and use crucial organizational resources.

AI Overlords

JAN 2025 - MAY 2025, MUMBAI

Designed a forward-looking, futuristic web interface from the ground up.

Translated complex AI concepts into a clean, engaging user experience that perfectly captured the startup's core vision.
